Dear Parents,

Your child is invited to join in our lending library. They will be able to check out a bag of books to take home and read, just like at a real library! We will send a bag of books home Monday and they will need to be returned the next Monday.
This activity will encourage reading and will help teach the children to take care of their books. You will be responsible for the books; they need to be returned in the same shape or they will need to be replaced. This will teach the children to respect others property.
If you want your child to participate in this library activity, please fill out the bottom of this page and return it as soon as possible.

Sincerely,

_____ Yes, I do want my child to participate in the library check-out.

_____ No, I do not want my child to participate in the library check-out.

Signed _____
